## FROM DEAN COLLENS

I am pleased to report that two of our students, Rosemary Krimbel and Mary Mills, received \$5,000 scholarship awards from the Women's Bar Association of Illinois at its 24th annual luncheon on September 15. Students from our school have received scholarship awards from the WBAI in 13 of the last 14 years. Both this year and last year we were the only school to have two winners.

On behalf of the entire law school community, I would like to congratulate Rosemary and Mary. I am confident that they will continue to distinguish themselves both here and in their legal careers.

The September 1989 issue of the Chicago Bar Record included a fine review of the second edition of Professor Sheldon Nahmod's book, Civil Rights and Civil Liberties Litigation--The Law of Section 1983. The review states that many of the ideas Professor Nahmod espoused in the first edition of the book have since been adopted by the courts and calls the second edition the leading text in its field. The review concludes that "Nahmod and his treatise are likely to become as influential in the field of Section 1983 litigation as Prosser and his book were in the field of torts. For civil rights practitioners, this book is 'must' reading."

## STUDENT ACTIVITIES

### Student Bar Association

Congratulations to Laura Forester for being elected to the American Bar Association/Law Student Division (ABA/LSD) Board of Governors as Vice-Chairperson/SBA-Elect. Laura will serve as a liaison between the student Bar Associations of all law schools and the ABA/LSD. The national position of Vice-Chair/SBA serves as the only voice SBA's have on the ABA/LSD Board of Governors. Laura will serve on the Board for two years -- the first being in an "elect" capacity.

In August, Laura, along with six other extremely qualified candidates, spoke before the Student Bar Association Delegates at the National Conference in Washington, D.C. The delegates voted for the three nominees which would go before the Board of Governors. Laura, qualifying as a nominee, spoke before the Board of Governors and underwent a question and answer period. The Board then selected Laura as Vice-Chairperson/SBA-Elect. We wish Laura the best of luck in this most prestigious office.

## INTENSIVE TRIAL ADVOCACY I COURSE

The law school will once again offer an Intensive Trial Advocacy I course during the January intersession. The course will be taught by the Honorable Thomas Fitzgerald and other members of the Trial Advocacy faculty. It will meet from Saturday, January 6, 1990 through Saturday, January 13, 1990 (including Sunday, January 7), from 8:30 a.m. to 6:30 p.m. A maximum of 40 students can be accommodated. A certain number of spaces will be allotted to (1) evening division students; (2) third-year day division students; and (3) second-year day division students. Within each of these groups, students will be selected for the course on the basis of their Fall 1989 semester priority numbers, except that some students who will be enabled to graduate a semester early may be admitted to the class.

The Intensive Trial Advocacy I course is open only to students who commit themselves to take Trial Advocacy II during the Spring 1990 semester. Sections of Trial Advocacy II will meet on Tuesdays at 6:00 p.m. or on Saturdays at 9:00 a.m. A student who registers for the Intensive Trial Advocacy I course must be willing to take Trial Advocacy II at either of these times.

The National Trial Advocacy Competition team will not be selected until after the intensive course, so students who take the course will be eligible for the team.

For tuition purposes, the Intensive Trial Advocacy I course will be treated as a spring semester course. However, the three credit hours that will be earned for the course will not count as part of a student's spring semester course load, so a day division student still may register to take 16 credit hours in the spring semester and an evening division student may register to take 11 credit hours.

Registration for the Intensive Trial Advocacy I course will take place in the Registrar's Office (Room 306) from Wednesday, October 11 through Friday, October 13, 1989. Because of the special nature of the course, any student who drops the course after it begins will receive a grade of WE and no tuition refund. A student who drops the course between November 22, 1989 and the first meeting of the course will be charged full tuition.

## TO ALL IIT STUDENTS: STUDENT INSURANCE

All students registered for 12 or more credit hours are required to purchase the basic student health insurance policy or to submit proof of equivalent insurance.

The premium for the basic student insurance program will be added to your tuition and fees billing statement in late October as a charge. In order to avoid this charge, you must submit a valid declination before September 30, 1989.

The declination form must be completed fully and mailed to G-M Underwriters Agency, Inc. before September 30, 1989. Once a valid declination has been accepted, you need not submit another for the year.

Other students may participate in the student health insurance program, if desired. Should you have any questions or need more information, please contact Robert J. Morgan, IIT Assistant Dean of Students, at 567-3080.
